

Applying the TEST

All work is to be implemented with these fundamental requirements, which is TUCF's Essential Safety Tools (TEST).

- Work will not be conducted without a pre-job risk assessment and a safety discussion appropriate to that level of risk.
- All persons will be trained and competent in the work they conduct.
- Personal Protection Equipment will be worn as per risk assessment and minimum site requirements.
- Rescue and Recovery Plans, developed from a review of potential emergency scenarios, will be in place before work is commenced.
- Everyone has an obligation to STOP work that is unsafe.
